

eBilling service for Retail customers

eBilling service user guide

Welcome to the SmartestEnergy eBilling service. As well as access to all your invoice documentation, here you will find everything from our Customer Charter, contact details for your dedicated Customer Services Executive, to the most Frequently Asked Questions (FAQs) and a list of emergency telephone numbers for the Distribution companies.

We hope that this User Guide will help you to get the most from the site, but please call us on 0845 036 1122 or email us at customerservices@smartestenergy.com if you require further information.

how to sign in

Shortly before your first invoice is due to be produced you will receive an email telling you your username and password for the eBilling service.

Use the link in the email or paste <https://ebilling.smartestenergy.com> in to your Internet browser and you will be presented with the following sign in page.

Sign in	
Username:	<input type="text" value="SMART1016"/>
Password:	<input type="password" value="••••••"/>
Forgotten Password	Sign In

© 2009 SmartestEnergy Limited - Site design by EDW Technology Limited

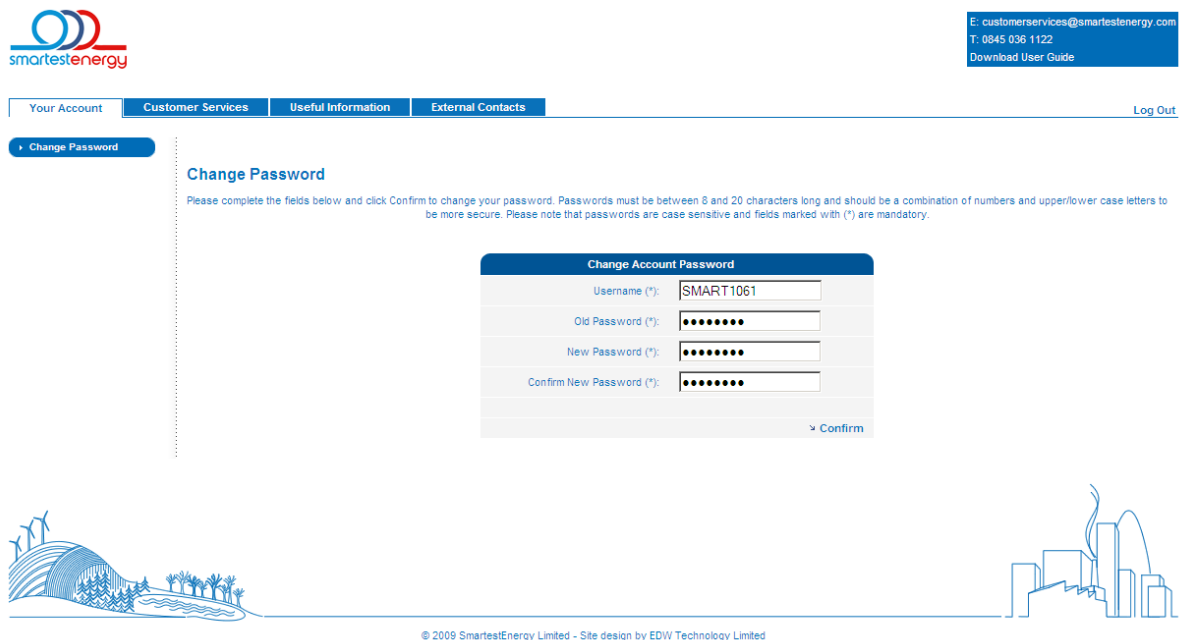

Enter your username and password then click Sign In.

If this is the first time you have logged in you will be prompted to change your account password.

how to change your account password

To change your account password, click on Change Password on the left.

The screenshot shows the SmartestEnergy website interface. At the top left is the SmartestEnergy logo. At the top right, contact information is provided: E: customerservices@smartestenergy.com, T: 0845 036 1122, and a link to Download User Guide. A navigation bar contains links for Your Account, Customer Services, Useful Information, and External Contacts, with a Log Out link on the far right. A sidebar on the left has a 'Change Password' button highlighted. The main content area is titled 'Change Password' and contains the following text: 'Please complete the fields below and click Confirm to change your password. Passwords must be between 8 and 20 characters long and should be a combination of numbers and upper/lower case letters to be more secure. Please note that passwords are case sensitive and fields marked with (*) are mandatory.' Below this text is a form titled 'Change Account Password' with four input fields: 'Username (*)' containing 'SMART1061', 'Old Password (*)' with masked characters, 'New Password (*)' with masked characters, and 'Confirm New Password (*)' with masked characters. A 'Confirm' button is located at the bottom right of the form. The footer features a copyright notice: '© 2009 SmartestEnergy Limited - Site design by EDW Technology Limited' and decorative line art illustrations of wind turbines and industrial buildings.

You will be prompted to enter your old account password and then enter a new memorable password.

This screenshot shows the same SmartestEnergy website interface as the previous one, but the 'Change Password' button in the sidebar is no longer highlighted. The main content area now displays a confirmation message: 'Thank you. Your password has been successfully updated.' The rest of the page, including the navigation bar, contact information, and footer, remains the same.

Then you will need to use your new password from the next time you log in.

forgotten your password?

If you forget your password you can use the Forgotten Password function on the Sign in page.

your account

The invoice documents link will allow you to see all your invoices, credit notes, summaries and half hourly consumption data files.

The primary recipient is the person who is receiving the original VAT invoice(s), a secondary recipient is receiving copies of invoice(s). The date and time that the primary recipient first downloaded the documents will be displayed.

The original VAT invoice is only included on the first download and any subsequent download will only include a copy document.

how to download, save and view documents (con't)

Browse to the folder where you would like to save your documents and click Save.

The screenshot shows the SmartestEnergy website interface. At the top left is the logo. At the top right, contact information is provided: E: customerservices@smartestenergy.com, T: 0845 036 1122, and a link to Download User Guide. Below this is a navigation bar with 'Your Account', 'Customer Services', 'Useful Information', and 'External Contacts'. A 'Log Out' link is on the far right. The main content area is titled 'Invoice Documents' and includes a 'Change Password' link. A table displays billing data with columns for 'No. of Credit Notes', 'eBilling Documents', and 'M3 Consumption Data'. A 'Save As' dialog box is overlaid on the table, showing the file name 'eBilling_631_20100305144718.zip' and 'Compressed (zipped) Folder' as the save type. The dialog box also shows the file name 'eBilling_671_20100305144838.zip' and 'Compressed (zipped) Folder' as the save type. The background features a stylized illustration of a wind turbine and a power plant.

Welcome

Welcome to the SmartestEnergy customer website. We want to make it as easy as possible for you to access your eBilling documentation, information you might need about your account and find out about SmartestEnergy as a company and the wider energy industry.

Here you will find everything from our Customer Charter, contact details for your dedicated Customer Services Executive, to the most Frequently Asked Questions (FAQ's) and a list of emergency telephone numbers for the distribution companies.

If we have forgotten anything, or if you have any comments or suggestions on how we can improve this site, please email us on

Supply Number & MPAN

A Supply number is the unique identifier for each supply point, easily identifiable from it's format. It is made up of a large S for identification, a Top line and an MPAN (Core).

The MPAN is the identifier that we use to communicate around the industry.
